

Places and activities requiring the COVID-19 Vaccination Passport

Since March 12, 2022, the vaccination passport is no longer required in Quebec. It is still possible to keep your proof of vaccination in digital format in the VaxiCode application.

Presenting a proof of vaccination remains mandatory, according to federal government requirements, for travel within and outside Canada, by train, plane or cruise ship.

For more details, see the [COVID-19: Proof of vaccination in Canada page](https://www.canada.ca/en/public-health/services/diseases/coronavirus-disease-covid-19/vaccines/vaccine-proof.html)  (<https://www.canada.ca/en/public-health/services/diseases/coronavirus-disease-covid-19/vaccines/vaccine-proof.html>) on the Government of Canada website.
